

Celebrating 40 Years

In 2024, Team Oregon will celebrate 40 years of serving the riding community!

Team Oregon is an award-winning outreach program of Oregon State University and a friend to motorcycle enthusiasts everywhere. We train 10,000 riders every year.

For our 40th anniversary, we kick it up a notch with special discounted group rates for advanced courses plus a new “Boot Camp” package: a Braking Clinic, Cornering Clinic and Precision Maneuvering Clinic all in a weekend.

Five Boot Camps are planned for 2024 in Albany, Hermiston, Medford, Portland, and Redmond.

Sponsorship Opportunities

Your sponsorship dollars directly support the safety, training and education of Oregon riders, plus provide a unique opportunity for brand exposure to motorcycle riders in your community.

For 2024, we invite you to:

- sponsor a rider (or riders),
- sponsor an entire training course,
- host a classroom seminar.

Sponsor 4 or more riders in a course and be invited to attend as a vendor to promote your business or club. Sponsor 8 or more riders, or an entire class, and attend multiple courses. Sponsors are also acknowledged on our website.

Sponsor 40 Boot Camp students (it is, after all, our 40th Anniversary) and get a free, 2-page ad in the Rider Passport, a vendor invite to every Boot Camp in 2024, and prominent website callouts as the Boot Camp Sponsor.

Hosting a classroom seminar is effective community engagement and a great way to get customers in the door. Team Oregon sends an instructor to your location to talk about motorcycle safety, cornering, braking and precision maneuvering techniques. Seminars are free for the host and attendees, subject to instructor availability and limited to one per year. Hosts are responsible for advertising this free event.
